The Galea Team

GALIA MOTORBOATS

We offer a wide range of sport, utility and leisure motorboats, capable of handling any conditions.

Galia Motorboats are closely linked to the luxury yacht manufacturer Galeon, in fact, we share the same facilities. Our experience in building boats extends to over 30 years, in which we have gained recognition for our exciting designs and high level of craftsmanship and finish.

Galia Motorboats are built using the same technology and know-how as our bigger luxury yachts, which guarantees their outstanding quality and performance.

The wide range of Galia Motorboats include simple fishing day-cruisers, leisure and sport oriented models as well as cabin boats with water and sanitary systems with up to four berths on board.

A selection of engines from all major manufacturers will help you find a perfect balance between fuel economy and performance. Available with an array of optional electronic and navigational equipment, Galia motorboats are fit for both inland and open waters.

Galia 475 Open

*Compact and easy handling boat –
best suited for lakes and rivers*

Galia 475 Open is a compact sized boat best suited for inland waters like lakes and rivers. The straightforward construction ensures easy handling and quick maintenance when necessary. All four passengers will find comfortable seats located central and at the bow.

The plexi windscreen will protect the driver from the wind while providing perfect visibility. The optional bow table is great for serving refreshments and converts into a sundeck if needed. Many diverse color lines are available.

Galia 520 Open

*Stunning looks, ample space
and commendable performance*

Galia 520 Open has great looks, plenty of space on board as well as commendable performance. Both sport seats and part of the transom bench are protected from the wind by the windscreen. The bow has ample seating space which can be transformed into a sundeck. The small cabin is best used as storage space and can be optionally fitted with a manual or chemical toilet.

Hydraulic steering and foldable bimini are among the recommended extra equipment. The crew limit is capped at five or seven, depending on the chosen category. Various, distinct color lines are available for better customization.

Galia 520 Sundeck

*Sleek and sporty design
with a spacious cabin for two*

Galia 520 Sundeck offers a well sized cabin along the specious bow sundeck. The sleek and sporty design will suit the fun-loving individuals while the hull delivers the desired performance. Central seats, protected by the console wind-screen, have great visibility and allow the driver complete control.

The bow cabin is specious enough for two and can serve as an extra storage space if needed. Depending on the chosen category five or seven passengers can be onboard; all color lines are available.

Galia 525 Cruiser

An all-round cruiser
with a comfortable bow cabin

Galia 525 Cruiser is an all-round cabin boat that will handle any conditions. The spacious bow cabin is tall enough to comfortably sit in and can be fitted with a convenient toilet. Two sport seats and a fold out bench occupy the cockpit with extra space for the optional table. The bow hatch and side windows brighten the

interior, while the U-shaped windscreen protects the passengers from the elements. Stow away bimini and canvas support are available along all custom color lines.

Galia 600 Hardtop

A compact hardtop
with bright and spacious interior

Galia 600 Hardtop is a classic fishing boat best suited for colder climates thanks to its enclosed quarterdeck cabin. Ample cockpit space is occupied only by a transom bench, rod holders and an extra fishing box with electric drainage – perfect for a keen fisherman.

The wheelhouse is surrounded by windows and holds two berths at the bow. A complete water system combined with a chemical toilet will come in handy especially on long escapades. Other options include an electric anchor system, teak elements and various color lines.

Galia 660 Hardtop

A multipurpose motorboat
with plenty of upside

Galia 660 Hardtop is an all-weather utility and leisure boat capable of taking eight passengers on board. The sturdy hull is stable even in the harshest conditions, and the wheelhouse will provide protection from the elements. The extra, outside steering will come in handy during mooring and tight maneuvering.

The cabin can be fitted with complete water and sanitary systems, drawer refrigerator and a spirit cooker making overnight stays a possibility. Additional extra equipment includes trim tabs and electric anchor winch among others.

Galia 670 Middle Cabin

This versatile hardtop has a lot to offer

Galia 670 Middle Cabin is one of the most versatile motorboats on the market. The large wheelhouse offers two double berths in the saloon. The small galley area comprises of a gas burner cooker, sink basin and a drawer refrigerator. The private toilet has sufficient headroom for standing and comes standard – a welcome feature on a boat this size.

Space and functionality are key to the 670 MC design, from the large cockpit area with rod holders and extra steering to the three-part windscreen allowing easy access to the bow – all the crucial elements are present. Extra equipment includes an electric anchor, water system and all color lines.

Galia 750 Hardtop

A luxurious hardtop that sets new standards in its class

Galia 750 Hardtop is a top-of-the-range model that sets new standards in its class. The overall layout is very practical with a large cockpit area with a foldable bench and wide sidedecks for safe passage to the bow. The pilothouse can be accessed through the back or side sliding glass doors and is surprisingly spacious for a boat this size. The high quality walnut

interior is surrounded by windows and a see-through roof with an openable hatch. Inside, a dinette with a pop-up table for two can be found, along with the helmstation, bathroom with shower and a forward double bed. The motorboat can be fitted with various water and sanitary systems as well as navigation, trim tabs and Webasto heating.

Galia Color Lines

Every Galia motorboat can be finished in one of four color schemes :
Standard, Anthracite, Oceanic or Sandstorm.

The individually selected upholstery and decals match the hulls perfectly, upgrading both the visuals and the quality of all the models. The gelcoat colored hull band and console are durable and easy to maintain while the tinted windows and dual color upholstery add a finishing touch.
